# Deafblind Awareness

During the month of June, please help us celebrate **Helen Keller Deaf-Blind Awareness**

*In recognition* of the important role of the Interveners and Support Service Providers (SSPs) in Serving People who have combined hearing and vision loss. Interveners and SSPs enable people with combined hearing and vision loss to communicate effectively with others and receive accurate information about the world around them.

For more information about Deafblind Services, call the Department of Assistive and Rehabilitative Services, Division for Blind Services at (512) 377-0573 or Helen Keller National Center's Regional Office at (972) 490-9677.
