

DBMAT Golf Tournament on November 13, 2008

DBMAT held the first Christian Knapp annual Golf Tournament on November 13, 2008. We earned more money than any fundraising effort in DBMAT history, AND we had a great time. The event was held at Timber Creek Golf Club in Houston. We had such a good time that people are already planning for next year's tournament. To see pictorial evidence of the festivities, click on these slide shows:
