

POWDER PUFF FOOTBALL FUND-RAISER

On Saturday, June 14th, the organization, Loose Change, held a benefit for DBMAT. Their approach was a unique one. The Blondes faced the Brunettes in a "Powder Puff Football" extravaganza. Here is a group picture of the players, coaches, refs, cheerleaders, and mascots (and Helen Keller---in the Deafblind Awareness Poster.) Courtney Hurst, front row on the far left, (the niece of DBMAT Secretary Melanie Knapp) was the chief organizer as well as Captain of the brunettes. Jenny Walker was team captain of the blondes. The group donated over \$700.00 to DBMAT. We thank you all for the contribution (as well as the entertainment--- to those of us who came as spectators.)
